For clarification purposes, our 2016 LegAAcy American Airlines Reunion Party is not an official AA company function. We are an independent group of retired, past & current AA employees that have organized for the purpose of bringing old friends and co-workers together to reconnect and reminisce about "the good old days." This reunion party and our social media sites are dedicated to the memory of our dear friend and co-worker Stephen L. Allen for his friendship, leadership & vision.
